## *Alma Mater*

Here's to thee, our Hopewell-Loudon  
Cherish in our song.  
Honor, love, and true devotion,  
All to her belong.

Honor to the Gray and Scarlet,  
Banner that we love  
Shall lead us in the conflict,  
And our triumph prove.

Lift the chorus, speed it onward,  
Loud her praises tell,  
Hail to thee, our Alma Mater  
Hail, all hail, to thee.

**Mrs. Pauline Wilson**

We, the class of '54', wish to dedicate our yearbook to Mrs. Wilson: for all the patience she had with us while putting on our class play, and for all the hard work she went through to make our English classes interesting. We also wish to thank her for being a friend as well as a teacher.

Make them behave, Mr. James.

Congratulations to the class of 1954. The Scarlet and Gray will furnish a complete record of the pupils and activities of the school during the year 1953-54. It is a chronicle of events they will want to remember.

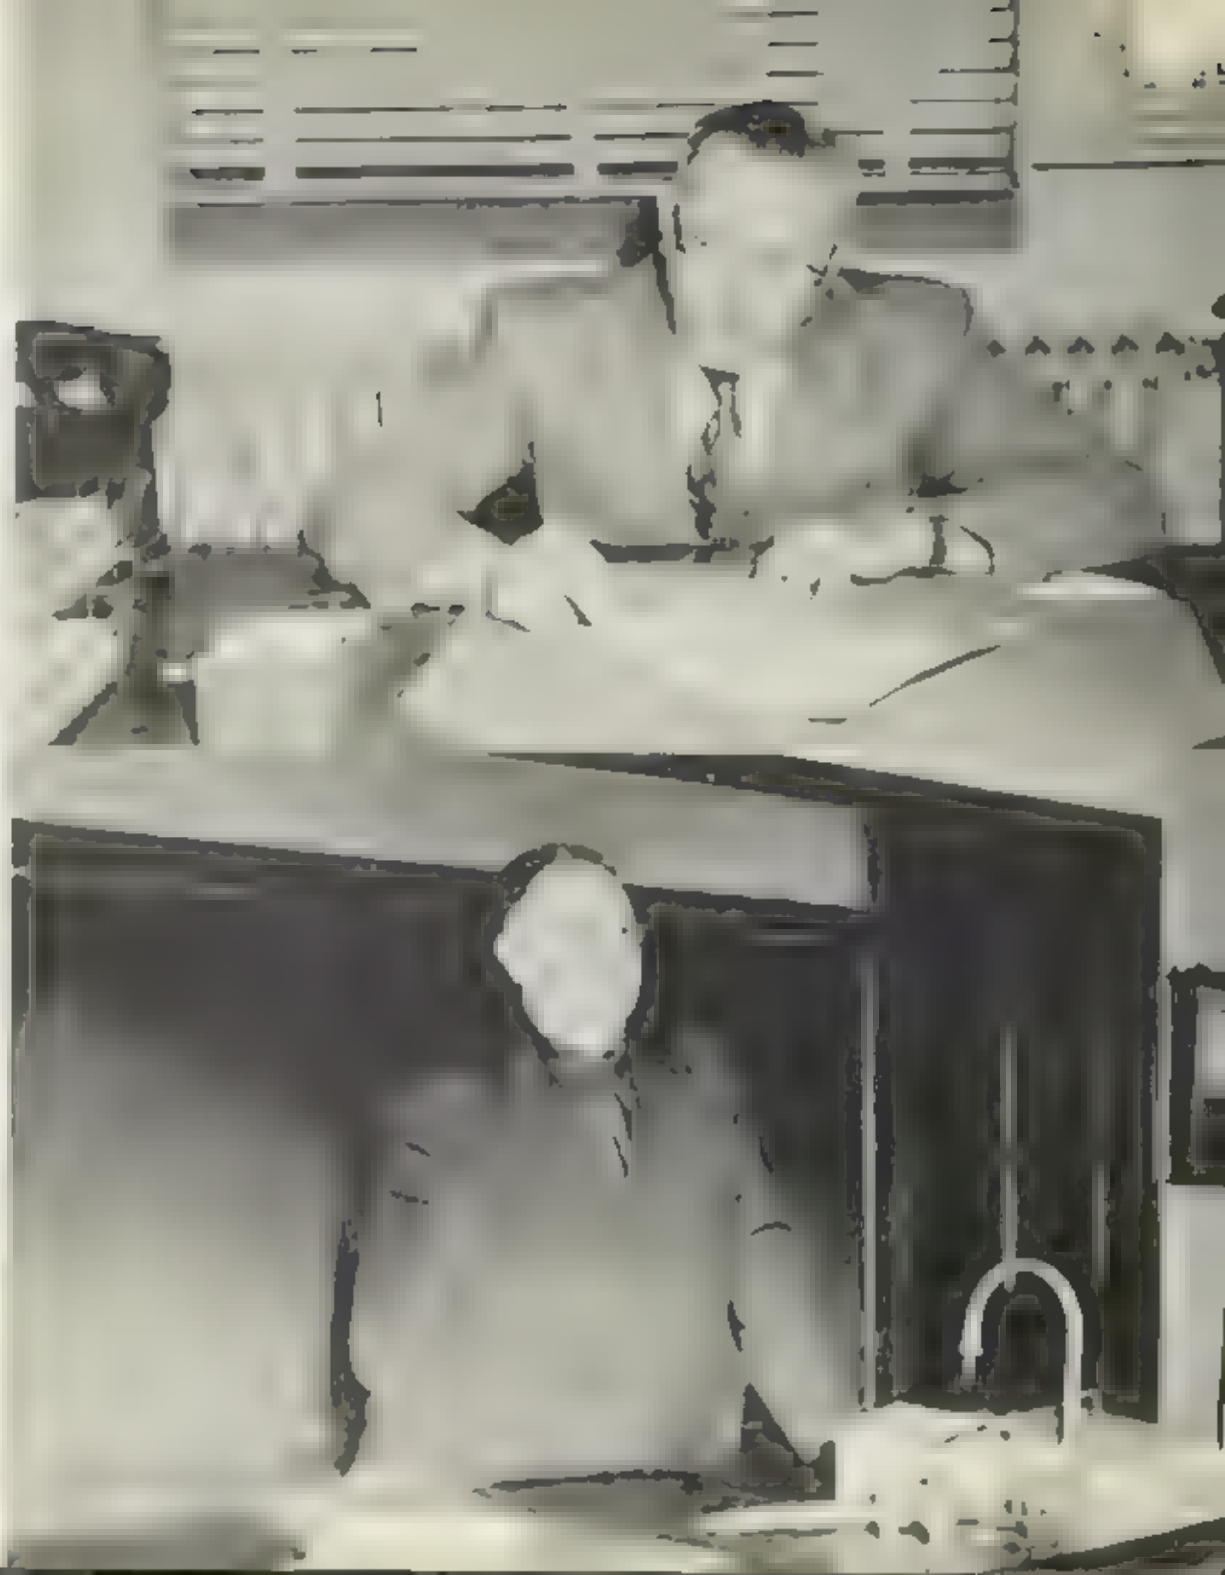

*Miss Audrey McElhenny*

ROBERT COLLINS  
*Principal*

The ability to get along with other people and be happy while doing it is probably the outstanding personality trait one may acquire. I believe the class of 1953 is well on its way toward obtaining this.

We know this could not have been done without the training received in the home, the church, the school and the self discipline they, themselves have administered. I, therefore, take this opportunity to congratulate this class, their parents, their church leaders, their teachers, and their friends for this accomplishment and sincerely hope that this ability will continue with them and make their out of school life a happy and successful one.

# Magazine Campaign

Contestants  
on  
Groucho  
Show

Each year the school sponsors a magazine campaign. The money we raise goes to the Music and Athletic Funds. Every year the campaign goes over just a little bigger.

To bring about more competition among the students we divided the school into teams. With television so popular in the homes these days we used that as our theme.

The winning team, which was the boy was headed by Bob Burt as Groucho Marx. The girls team was headed by Marilyn Walte as Sophie Tucker as guest on the Ed Sullivan Show. It was agreed that the 20 high sales men on the winning team would appear on the Groucho Show and the losers would put on a variety Show on Toast of the Town.

We don't know whether it was the idea or just what it was but the campaign was a success. The total receipts were over \$2,200. It was a lot of fun and we did make money for the school.

An extra vote of thanks should go to Mr. Goetz for all his help as captain of the whole campaign.

Band**

After a summer filled with parades and concerts, our band returned in the fall to play in several more parades. Our band was privileged to play in the dedication parade of Fostoria's underpass.

At Christmas time our band played "Twas the Night Before Christmas" for the P. T. A. program. We also entered the district band clinic which was held at our school for the fifth consecutive year.

During the spring for a period of four to six weeks the more advanced students work on ensemble material. These ensembles go to the county and district contests. Those who received excellent ratings go to the state contest.

## ***Hopewell-London Chorus***

This year, there were sixty members in our chorus. As usual, we sang for the P. T. A. Christmas program. Again the chorus went caroling at Fostoria and Tiffin hospitals.

On January 8, 1954, our chorus had the privilege to sing for a choral clinic at Heidelberg College. Dr. Wilson, of Columbia University, was guest conductor.

We also worked on an Easter Cantata, "The Seven Last Words of Christ" by Dubois, which we presented in several county schools.

We closed the year by singing at the Boccatur eote services.

## Varsity Squad

The 1953-54 Chieftains opened their basketball season with one regular from last year. A big gap had to be filled as graduation took its toll. The season looked very dismal as the squad lost four of the first five games. But with added experience and confidence along with a strong desire to win, the squad then had a nine game winning streak before it was broken.

The season ended with a 12 won 6 lost record and

with a tie for 3rd place in the league, which is a credit to the squad for its fine co-operation and sportsmanship which it displayed throughout the season.

With only one member of the squad lost by graduation the hopes for next season look very high.

The members of the squad and myself would like to thank the administration, faculty, and cheerleaders for their fine co-operation and support which made this season a successful one.

Our baseball team this year was undoubtedly one of the best in the history of the school.

During the regular season we won 1 and lost 2, beating Jackson-Liberty 12 to 5, while losing to Bettsville 14 to 9, and Jackson-Liberty 3 to 2, respectively.

In the first game of the tournament though, we came back to trounce Jackson-Liberty 16 to 5, which, as a result of a good draw, put us in the semi-finals. We lost to Bloomville in a very thrilling game by a score of 10 to 6. Bloomville, incidentally, went on to win the tournament.

# Senior Class History

One September morning in 1942, we, the class of '54 entered the doors of Hopewell Loudon for the first time. We were guided through grades 1, 2, and 3, by Miss Borst, Mrs. Geger, and Mrs. Fruth. Music lessons were taken in the 4th, 5th, and 6th grades. Mrs. DeWald, Mrs. Jordan, and Mrs. Kreisinger helped us through those grades.

In the years 1949 and 1950 we had the pleasure of electing our cheerleaders, and we also had a good ball team.

When we were freshmen we chose our class colors, blue and white, our flower, the red rose and our motto, "Character is the cornerstone of Success."

The class officers for that year were: President, John Schlenker, V. President, Mary Kelbley, Sec. Treasurer, Marilyn Walter, and Reporter Marilyn Fruth.

April 20 was the highlight of our freshman year since it was our first prom.

In 1952, the following were elected as class officers: John

BACK ROW: Marilyn Fruth, Elsie Hudson.

Schlenker, President; Marilyn Walter, V. President; Elsie Hudson, Secretary; Mary Kelbley, Treasurer, and Harold Pember, Reporter. May 2 was the date for our Freshman-Sophomore Prom which proved to be a big success.

During our Junior year we participated in many activities. Our class play, "Volunteer Bride" was a success. We also put out the Scarlet Banner that year. We held our prom on April 25 at the Fortoria Y.M.C.A. Class officers were: President, John Schlenker; V. President, Roy Lowery; Secretary, Marilyn Walter; Treasurer, Mary Kelbley; and Reporter, Marilyn Fruth.

Now we are Seniors and are proud to be graduating from Hopewell Loudon School. The Jr. Sr. Prom, which took place on May 1, was one of the biggest events of the year.

As Seniors we now have a great field of opportunities ahead of us. We hope we can continue to live our lives in the same manner as has been taught us here at Hopewell Loudon.

The Annual Staff has worked hard to produce this book, but we have gained much experience in working together. We hope this book will bring back happy memories in the years to come.

## A Look Into the Future

I, Marilyn Brickner, and my TV partner, Elsie Hudson, had just finished our show, "Clam and his Boss" and were loafing around the studio when we ran across this interesting item in "The Bascom Beat": "First Lady Champion Wrestler in History." This sounded interesting, we read on only to find that the champion was Susie Painter. The paper is edited by Marilyn Frutis, who heads one of the largest newspaper syndicates in the world. She has also won the Nobel Prize for her Yellow Journalism.

Since our work for the evening was finished we decided to take in the floor show at the "High Hat Club." (Everybody entering this club must wear a high hat.) The club is running a series of "mystery singers" and everybody is anxious to see who she will be tonight. The gossip columns of "The Bascom Beat" are all running articles on it. Donna McCrary, who is the head of all the columns, therefore knows the latest in the gossip world. Way just the other day she was talking of Roy Lowery who has just invented a new formula for exterminating termites. His secretary, Marilyn Walter, owns a termite farm where Roy does his experimenting. (Personally, we think they're kinda buggy.) We read that Donna's most reliable source of information is the operator at the Bell Telephone Company who is none other than Evalyn Young.

By this time we were dressed and outside our hotel. We hailed a taxi and after we were inside we noticed an extra passenger in the front seat. We paid no attention and continued our conversation. Suddenly we heard a disturbance in the front seat. It wasn't until then that we noticed the shabbily dressed driver and the neatly dressed lady on the seat beside him. The driver was Joe Boulton, president of the Joke Factory of Boudenville, who told us he was driving a taxi on the side to make a little extra "money". The lady, to our surprise, was Marjorie Cassidy the Driver Training Teacher of the Fordville Elementary School. It seems Marge was trying to point out to Joe why driving carefully is important. Marge informed us that only the other day she had seen Roy Shoemaker, the famous horse dentist of a one horse town. His nurse, Nancy Manz, had discovered Equu-

chioral toothpaste for toothless horses. Any cow using this will give green milk.

I exclaimed to Elsie how unbelievable it was that our classmates were becoming more famous day by day.

Upon our arrival at the High Hat Club we left the cab and entered the club. We were greeted by the proprietor, whom we didn't recognize at first with his mustache. While we were talking, however, it fell off. That was when we recognized him to be Ronnie Cassio. We had a good laugh but gave our word not to tell about the falsie.

Ronnie led us to our table and seated us. The waiter came and we ordered the latest breakfast food. To our surprise it was Bob Burl's latest product, "Bobby's Blue Breakfast Belly-Busters Food", the new blue cereal with the Boma Sotter already in it. We learn that Mary the Mathematician gets a lot of business from Bobby's vitamins. The mathematician is our former classmate, Mary Kelbrey. Her work consists of looking for members for the underground.

At the next table we noticed John Schlenker, the fire eater, with the editor of the "Advice to the Loveless" column of "The Bascom Beat", Virginia Green. It seems that John was getting advice from Virginia about his latest fame. He attracts the attention of surrounding tables when he begins to demonstrate his latest act of fire eating. The bouncer immediately springs into action and out goes John. Who is the bouncer? You guessed it! Harold Pember.

As things were under control and more the house lights dimmed and the "mystery singer" came out on the stage. It was the exciting moment of the unmasking. Everyone held his breath. Then it happened. Imagine our surprise. Yes, Theresa Burns had risen high in the music world.

Finally we said our goodbyes and returned to our hotel. It had been an exciting day and we retired with happy memories.
